"I love the convenience of the whole package it enables me to literally turn up conduct the pre arranged examinations, dictate, sign off and move on. The best bit is you don't have to take anything home: everything is completed within clinic on the day and the best bit you get paid every month."

Mr Nigel Fox A&E Consultant in Accident and Emergency Medicine

The clients I see at the North East Clinic have already had or are currently having treatment which reassures them they will get better and recover from their injuries. The Team are friendly and make both me and the clients relaxed and comfortable and a feeling they are being given the best possible service ever."
